

# Scavenger Hunt Rubric

**Learning Objective:** Upon completing the activities, the students will illustrate the use of contractions by finding and taking photos of five (5) Contraction signs and five (5) Possessive signs and create a PowerPoint presentation with those pictures using the rubric as a guide.

	4	3	2	1
<b>Number of Slides</b>	The presentation has 5 slides of Contraction signs and 5 slides of Possessive signs	The presentation has 4 slides of Contraction signs and 4 slides of Possessive signs	The presentation has 3 slides of Contractions signs and 3 slides of Possessive signs	The presentation has 2 or less slides of Contraction signs and 2 or less slides of Possessive signs
<b>Number of Images</b>	Photographed 5 Contraction signs and 5 Possessive signs	Photographed 4 Contraction signs and 4 Possessive signs	Photographed 3 Contraction signs and 3 Possessive signs	Photographed 2 or less Contraction signs and 2 or less Possessive signs
<b>Image Source</b>	All images are original and where each one was photographed is included on all slides	All images are original and where each one was photographed is included on most slides	All images are original and where each one is photographed is included on some slides	Some or all images are not original
<b>Images</b>	All of the images were easy to see and understand	Most of the images were easy to see and understand	Some of the images were difficult to see and understand	All of the images were difficult to see and understand
<b>Identifying the Word</b>	The word on the sign is spelled out and spoken out loud for all the signs	The word on the sign is spelled out and spoken out loud for most of the signs	The word on the sign is spelled out and spoken out loud for some of the signs	The word on the sign is not spelled out and not spoken out loud
<b>Slide Transitions</b>	Transitions flow easily on all slides and enhance presentation	Transitions flow easily on most slides and enhance presentation	Transitions flow easily on some slides and detract from presentation	Transitions do not flow easily and detract from presentation or No transitions are used

<b>Background</b>	Background choices are appropriate (not too busy, image is still main focus) all the time and enhances presentation	Background choices are appropriate (not too busy, image is still main focus) most of the time and enhances presentation	Background choices are appropriate(not too busy, image is still main focus) some of the time and detracts from presentation	Background choices are not at all appropriate (not too busy, image is still main focus) and detracts from presentation
<b>Content</b>	All information is clear and correct	Most information is clear and correct	Some information is confusing and incorrect	Most information is confusing and incorrect
<b>Text/Fonts</b>	Text and Fonts are easy to read throughout the entire presentation	Text and Fonts are easy to read through most of the presentation	Text and Fonts are sometimes difficult to read through the presentation	Text and Fonts are difficult to read throughout the entire presentation
<b>Organization</b>	5 contraction images are grouped together and 5 possessive images are grouped together	4 contraction images are grouped together and 4 possessive images are grouped together	3 contraction images are grouped together and 3 possessive images are grouped together	2 or less contraction images are grouped together and 2 or less possessive images are grouped together
<b>Ownership</b>	Title slide with your first and last name is included	Title slide with only your first name is included	Name found some other place in presentation	No title slide with your name is included
<b>Audio</b>	Is understandable the entire time	Is understandable most of the time	Is understandable and some of the time	Is not understandable
<b>Spelling – Added Text</b>	There are 0 spelling errors in text added	There is 1 spelling error in text added	There are 2 spelling errors in text added	There are more than 2 spelling errors in text added

<b>Grammar – Added Text</b>	There are 0 errors in grammar in text added	There is 1 error in grammar text added	There are 2 errors in grammar text added	There are more than 2 errors in grammar text added
<b>Feedback</b>	Submitted rough draft to instructor by due date.	Submitted rough draft to instructor one day late	Submitted rough draft to instructor two days late	Submitted rough draft three or more days late or not at all
<b>Uploaded to Class Website/Blog</b>	Presentation was uploaded to Class Website/Blog by due date	Presentation was uploaded to Class Website/Blog 1 day late	Presentation was uploaded to Class Website/Blog 2 days late	Presentation was uploaded to Class Website/Blog more than 2 days late or not at all
